

Congregational Business Meeting
Sunday October 16, 2016

Dorothy Arnold opened the meeting with prayer and presided in the absence of our chairperson Patty L.

The report of the diaconate. Reports of the funerals. The sick were being visited. Cards sent. Funds deposited and help was given to those in need. Good work Cherry S. and her committee. Patty and By Lemon have both been ill.

The report of the trustees. The men's bathroom was repaired by Pond's heating and air conditioning. Mac's lock and key repaired the lock on the outside door of Keck hall. Stewardship Sunday is November 13th. The lawn has had fall fertilizer applied. The windows in the sanctuary need to be repaired. Building use has been heavy and provided needed income to the church. A discussion regarding the parking lot continued. Hopefully bids in the spring and work will be done according to gifts to our repair and maintenance fund.

Other new and old business was discussed and a motion to adjourn ended the meeting.
